Since 2001, the GCO has raised money to benefit hundreds of children in the Garner area. This year the tournament proceeds will benefit 2 groups of children. We will continue to benefit local children with health challenges AND this year children that have lost parents during military duty (www.PatriotGolfDay.com). Your support provides children nutritional support and helps to make a difference for those who have lost a parent while protecting our country. A fun afternoon where putts and drives can really make a difference!! Thank you for playing in the 10th Garner Chiiropractic Open. — Dr. Perry J. Kirch
