

# 1<sup>st</sup> Family Plan Who?

- This dental plan is great for individuals and families who want to **save money** or are not offered dental insurance through an employer and need work done.
- This plan is convenient for busy people. Our office also have convenient hours for you, we are open Monday-Friday, as well as Saturdays.
- Employers: this plan enables you to provide your employees with **affordable**, company friendly, dental health benefits, at a reduced rate.

## What?

- This plan is **not dental insurance**- in fact it is better than insurance, there is no maximum, deductible.
- This plan is offered as an alternative to conventional dental insurance, people that have exhausted all their dental benefits for the year.
- Plan **provides savings of 50%** on most dental procedures, including root canals, crowns, bridges, and a **25% savings** on more complex procedures such as, partials, dentures, implants, mini-implants and Invisalign.
- No paperwork; receive the discounted amount at the time of your visit.
- No health or age limits/restrictions.
- No credit check or employment verification.
- No clauses, maximums or deductibles.
- Easy to enroll, sign up and pay the low monthly fees and you're done!
- Use the discount as many times as you visit us.
- The discount is not valid on some of our specialty services, or in conjunction with another promotion.

### 1<sup>st</sup> Family Plan- \*low monthly enrollment fee and kids 5 and younger are free.

Includes: two complete full exams per year, two regular cleanings, two sets of, 4 bitewing x-rays, done once every six months, one panoramic x-ray every two calendar years.
