

## 1<sup>st</sup> Family Dental Care Discount Plans

Discount dental plans are an affordable and easy-to-use alternative to dental insurance. Plan members have access to services at discounted fees. We offer these plans to patients that have no insurance and looking for a way to save some money.

We cannot offer these plans to patients that have Insurance or have exhausted Insurance for the year already. These plans are good for a year from the date you enroll.

Some restrictions may apply, call our office for details. These discounts are not valid with any other offer.
