

February is Dental Health Month!

*Let's help your pets live a long and healthy life!
Cleaning their teeth decreases the risk of bladder and kidney
infection and helps to prevent periodontal disease*

During the month of February:

- ✓ Make an appointment to save on dental cleanings! \$10 off on a Grade 1 or 2 and \$20 off on a Grade 3 or 4. Free technician grading anytime!
- ✓ All dental products will be discounted 10%. As a gift to you, receive a free tube of toothpaste, a finger brush and other dental related products.
- ✓ Everyone who has a dental cleaning during the month of February will be entered to win a gift basket filled with dental products!
