Now having a bright and healthy smile is affordable to everyone!

We are pleased to offer our patients a new program called:

Bright Smiles For Life!

When you come to our office for your initial examination and cleaning, we will provide you with custom bleaching trays and material for a one-time enrollment fee of \$99. (The usual fee for custom bleaching is \$500!) Then, at each six month preventative visit, we will give you a complimentary touch up kit of bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful for life! We appreciate the opportunity to serve you and look forward to seeing your bright smile for many years to come!

All we ask in return is:

- * You keep your six month preventative visits current. Your long term dental health is as important to us as it is to you. Our patients have found that these six month visits greatly help reduce emergencies. That is why we are happy to provide this extra bonus for our patients who are committed to their dental health.
- * Provide at least 24 hours notice if you need to cancel or change an appointment. In order to provide exceptional services like Bright Smiles For Life to all of our patients, we ask that you give us the courtesy of advance notice for schedule changes.
- * \$99 One-Time Enrollment Fee--and Free touch-up tooth whitening for the rest of your life!

If you do not keep your six month appointment *within* 2 weeks of your scheduled cleaning date, you will be charged \$25 for a re-enrollment fee.
