FINANCIAL POLICY

Please put a check by the form of payment you will be using

_____ **CASH**

Patient pays all fees on the day services are rendered by cash, check, or credit card. We accept Visa, Mastercard, Discover and American Express.

_____ **INSURANCE**

You are ultimately responsible for knowing what your insurance plan covers. As a courtesy, we will verify your insurance coverage, however this does not guarantee benefits. If you would like a copy of what we verify, please notify the receptionist. YOU are responsible for the portion your policy not covered such as deductibles, co-payments and non-covered services. Payment is due on the date services are rendered.

_____ **WORKER'S COMPENSATION**

It is your responsibility to notify your employer and the doctor if you are seeking treatment from an injury sustained while on-the-job. This type of injury is classified as an industrial injury and will be billed accordingly. If the injury neglects to meet the requirements of the Industrial Commission and they will not pay, you are responsible for all charges incurred in this office. If you have an established claim, please notify the receptionist that you need to sign a transfer of physician form.

_____ **PERSONAL INJURY**

We do not accept third-party payer. We do not bill the at-fault. If Dr. Hilbert/Dr. Young (dba West Chester Acupuncture and Chiropractic) are a preferred provider on your health insurance plan, then by Ohio State Law we are required to bill your health insurance first. Standard rules apply when billing your health insurance: any co-payments, co-insurance, deductibles or non-covered services are your responsibility to pay at the time services are rendered. Once the health insurance coverage has been exhausted for the benefit year, we will then collect full payment for services rendered. A copy of charges will be provided for you to be reimbursed by either your automobile insurance, which has med pay coverage for health care from injuries sustained in a motor vehicle accident or the at-fault party insurance. We recommend that you immediately file a claim with your automobile insurance. If you do not have health insurance or med pay, then you are responsible to pay as treatment is received on the day of each visit by cash, check or credit card. Financing is available – ask our front desk if you are interested. Each case is unique so please do not hesitate to ask the receptionist. Ultimately, you are responsible for all charges incurred for treatment in our office.

_____ **MEDICARE**

Medicare does cover chiropractic treatment but with limitations. We have a handout specifically for Medicare patients, including those with secondary insurance that will explain in detail what you can expect with your current coverage. Please let the receptionist know if you would like a copy.

_____ **MEDICAID**

If eligible, you must bring a current Medicaid card on the first visit and at the beginning of each month thereafter when receiving treatment.

I hereby authorize any holder of medical information to release to my insurance company or intermediates any information needed to process a claim for payment. I request that payment be made to West Chester Acupuncture and Chiropractic for any charges or services rendered to me by Julie B Hilbert, DC, FIAMA, Dipl.Ac. and/or Burton T Young, DC, FIAMA, Dipl.Ac.. I understand I am financially responsible to Julie B Hilbert DC, FIAMA, Dipl.Ac. and/or Burton T Young DC, FIAMA, Dipl.Ac. for any balance not covered. I agree to the terms in the financial policy as stated above for the acupuncture and/or chiropractic care rendered to me by Julie B Hilbert DC, FIAMA, Dipl.Ac. and/or Burton T Young DC, FIAMA, Dipl.Ac.. Balances over 90 days past due will be forwarded to our collections agency. A late fee of 1.5% per month will be added to the balance, beginning at 60 days after service is rendered.
