AllPro Home Health Among Top 100 in U.S.

Port Charlotte, Fla., Nov. 3, 2009 — AllPro Home Health LLC has been named one of the top 100 healthcare agencies in the United States. National healthcare information providers OCS HomeCare and DecisionHealth selected AllPro as a "Top 100 Agency" on its HomeCare Elite 2009 listing of top tier home health care agencies in the country.

"This is the second consecutive year AllPro was listed among the HomeCare Elite," said Adam Pacyga, administrator for AllPro Home Health. "Being in the top 100 is an amazing accomplishment."

"The 2009 HomeCare Elite winners demonstrate a commitment to providing their patients with the best possible care while performing at the highest level," said Nancy Buller, senior director of marketing communications at OCS HomeCare. "We congratulate AllPro Home Health on being one of the top home care agencies in the country."

The annual review identifies the top 25 percent of agencies and further highlights the top 100 and top 500 agencies overall. Winners are ranked by an analysis of performance measures in quality outcomes, quality improvement, and financial performance.

"We're very fortunate to have a team of dedicated professionals who continually provide tireless, compassionate care for their patients," Pacyga said. "That kind of quality, consistent care, combined with our many years of experience, has enabled us to rank as one of the HomeCare Elite."

"DecisionHealth would like to congratulate the top HomeCare Elite agencies that achieved excellent clinical and financial outcomes by providing quality care to their patients," said Marci Heydt, executive editor of DecisionHealth's Home Health Line.

HomeCare Elite 2009 is the only performance recognition of its kind in the home health industry. The list is brought to the industry by OCS HomeCare, a leading provider of homecare information, and DecisionHealth, publisher of homecare's most respected independent newsletter, "Home Health Line." The data used for this analysis was compiled from publicly available information. The entire list of the 2009 HomeCare Elite agencies can be found at <http://www.ocshomecare.com>.
