AllPRO Home Health makes donation to Alzheimer's Association of Charlotte County

Port Charlotte, Fla., April 2, 2009 — **Adam Pacyga**, administrator of AllPRO Home Health, LLC, announced that AllPRO donated \$500 to The Alzheimer's Association Florida Gulf Coast Chapter last month. The donation came as a result of AllPRO's first annual Senior-Palooza and Health Fair Jan. 21 at the Cultural Center of Charlotte County. The remainder of the proceeds went to a local breast cancer victim.

The Senior-Palooza featured more than 30 vendors, which provided health screenings and information on health concerns, banking, insurance, senior housing and companion services.

"We're delighted with the success of the Senior-Palooza and appreciate AllPRO's generous donation," said Henry Cancel, program specialist for the Alzheimer's Association. "This will help enable us to continue our work in assisting those in need of our services."

"The Senior-Palooza exceeded our expectations," said Pacyga. "We are grateful to those organizations and individuals whose participation and cooperation began what we believe will be an annual event."
