

Payment Options

Dental treatment is an excellent investment in an individual's medical and psychological well being. Financial considerations should not be an obstacle to obtaining this important health service.

Marks Family Dentistry requests that payment arrangements be established before your dental services are provided. Several options are available to you.

- ✓ On the day of service, payment may be made in the form of cash, check, or credit card. A 5% discount is given for payment in full on the day of treatment. For your convenience, we accept Visa, Mastercard and Discover.

The discount does not apply to an account with an outstanding balance unless the account is paid in full on the day of new treatment. In that case, the discount applies to services for the current day, not to the entire account balance.

- ✓ If you have dental insurance, we will file your claims electronically. Your estimated co-insurance will be due on the day of service.

The following option is also available and requires approval before services are performed.

- ✓ **CareCredit 3, 6 or 12-Month Interest-Free Financing (brochure available)**

Three Ways to Apply for CareCredit

- **Written application - available at our office;**
- **Phone CareCredit (800) 365-8295**
- **www.CareCredit.com.**

- If payments are made as agreed, no interest or finance charges will be incurred.

- Payments should be mailed directly to CareCredit

Our business staff is available to discuss these options with you. Call us at (804) 746-3336.

**We appreciate your business!
Thank you for choosing Marks Family Dentistry.
