## FUN BUCK\$

What better way to celebrate your great patient cooperation than by rewarding you our valuable FUN buck\$!

When you come in for your regularly scheduled orthodontic appointments and you have braces on your teeth, you could *earn up to 5 Fun Buck\$*. Here is how:

1. Arrive on time to your routine appointment. **1 Fun Buck**
2. If you have braces bonded to your teeth and your brushing grade is “good” or “excellent”. **2 Fun Buck\$**
3. You have no broken or loose bands, brackets or wires; and you have worn your elastics or removable appliances as directed. **1 Fun Buck**
4. Wear your **Dr. Jones t-shirt** to your regular scheduled appointment. **1 Fun Buck**

### Bonu\$ Buck\$!

- \$ Because we stress the importance of maintaining regular six-month visits during treatment, you are also rewarded **5 Fun Buck\$** for each dental cleaning visit when you are cavity-free. If you see another dentist, bring in verification from that office.
- \$ Bring a current newspaper article of yourself for **5 Fun Buck\$**.
- \$ We reward **1 Buck** for every academic “A” on your semester report card – 2 cards per yr.
- \$ Last, but certainly not least, if you are happy with our office and the treatment you receive, *refer a friend!* For each new patient who begins active treatment with us and gives your name as their referral source, you will receive **25 Fun Buck\$\$\$!**

### Cash in Your Buck\$ for Great Prizes!
