At Powers Ferry Animal Hospital, our policy is to provide service and value to our clients. "Drop-off" examinations are provided as a convenience for those clients whose schedules will not accommodate a standard office exam. In order for us to provide adequate care for <animal>, it is very important that the doctor be able to reach you during the day, especially if there are questions concerning further treatment or diagnostics that may need to be done with <animal>. By providing the number(s) below, you are insuring that you can be reached to allow the best possible care for your pet.

Will someone else be picking your pet(s) up? If so, please specify: _____

Was <animal> given food or water today? Yes _____ No _____

Is <animal> currently on any medications? Yes _____ No _____

If yes, please list medications: _____

Occasionally, animals that are dropped-off require sedation for certain procedures or care (for example, cleaning of wounds or x-rays). The doctors will make every attempt to reach you at the number(s) you provide. However, in the event that the doctor is not able to reach you, do you provide permission to sedate <animal>, if it is needed to provide further treatment or care.

- YES, I give permission to sedate <animal> if I am not able to be reached.
- NO, do not sedate <animal> until I can be reached. I understand that if I am not able to be reached at the number(s) provided, treatment for <animal> may be delayed.
